MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report, Tuesday, 22 January 1952

1. BOFIEND. A priority cable from [] states that the northern portion of the combined leaflet and propaganda supply drop, originally scheduled as separate missions for 16 and 20 January, respectively, was successfully completed on the night of 21 January. Bad weather prevented earlier flights, and the series of postponements accounts for the combined mission. From flight plans submitted, it may be assumed that the plane followed a semi-triangular flight pattern bounded by Tirana on the south, Scutari on the west, and Kukes on the east. The field is being asked for confirmation as to whether the southern portion of the original flight plans will be attempted at a later date.

2. JBEDICT. [] departed for duty in [] (Secretary)

3. BOCONVOY. No report.

4. QKBROIL. No report.
